## GENERAL INFORMATION

- REGISTRATION:** Registrations will be accepted by mail or will be taken at the door either Friday night or Saturday morning. We encourage you to pre-register by mail prior to September 20. A form is attached for your convenience.
- REGISTRATION FEE:** Fee for the Symposium this year will be \$30.00 in advance or \$35.00 at the door (includes light lunch on Saturday and Sunday).
- SLIDE PROGRAMS:** Short mineral slide or PowerPoint programs are desired for Friday night. We request that you notify the General Chairman in advance of the content of your program. Programs should not exceed 15 minutes. A Kodak Carousel projector and LCD computer projector and laptop will be available. Please bring your own if a different one is needed.
- SALES:** Micromounts and mineral specimens of interest to micromounters will be available. Specimen trimmers, pamphlets, and other items also will be available. As space is very limited, contact Steve Weinberger ([cscrystals2@verizon.net](mailto:cscrystals2@verizon.net)) ahead of time if you desire to sell any items at the Symposium to ensure availability of space.
- DONATION AUCTION:** Please contact Al Pribula ([<apribula@towson.edu>](mailto:apribula@towson.edu)) if you wish to donate any items for the voice auction to benefit the Micromounter's Hall of Fame to be held Saturday.
- GIVE-AWAY TABLE:** An important characteristic of the micromounter is his or her pleasure in sharing. Space outside the workshop room will be provided for the sharing of surplus specimens. In the past, these have been from dozens of localities across the U.S., Canada, and other countries. Please help to make this a valuable part of the Symposium by bringing **good** material to share.
- DIRECTORY OF MICROMOUNTERS:** Copies of the latest edition of the International Directory of Micromounters, with an exclusive list of micromounters, micromount societies and micromount dealers, published by the Baltimore Mineral Society, Inc. will be available for sale.
- MICROMOUNTERS HALL OF FAME:** Items of historical interest will be on display, including John Ebner's collection of historic mounts. If you wish to have one of your micromounts included in the Hall of Fame collection, please bring it with you to the Symposium.
